Minutes from previous meeting reviewed

On 01 February 2018 the workshop group would commence policy integration following Hargrave model.

The Primary Workshop Group (Cllr Jefferys, Rachel Wood and Sara Beckett) agreed that all future meetings, the first and third Thursday of each month (unless notified otherwise) for the imminent future will be of a workshop nature and of course all members are welcome. This will enable work that has been identified to be carried out prior to approval of the NNPSG. Members would be notified when all members are needed to have a full meeting eg. when we have the report back from Ian Poole, when decisions need to be made, when a cost is involved or if we have a communication which needs our review.etc.
